YOUR CHOICE, YOUR JOURNEY, YOUR RIDE

B40 READY FOR WHATEVER LIFE CAN THROW AT IT

Who we are, what we do...

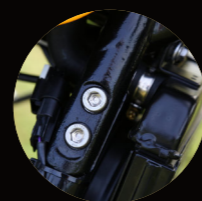

Hanway do not make 'ordinary' motorcycles, we have a passion to exceed expectation and make a motorcycle that is special. We do not do ordinary, we do 'special' as standard.

Built to be ridden

Hanway build their motorcycles to be ridden - some models prefer the tarmac, the all new 'B' series can tackle the sweeping roads with ease and style. With the learner legal high power liquid cooled 125, this model is perfect to tackle the daily commute, or a mini tour over the weekend.

A lively 'middleweight' with the looks & tech savvy, that makes 'everyday' journeys far from an everyday affair.

Hanway engage with market leading partners to ensure the highest levels of technology, safety and reliability.
